Mexican Railroads Operate 90 Per Cent of Their Lines

(By Associated Press.)
NEW LONDON, Conn., Sept. 12.—With the border situation set aside temporarily, the American-Mexican joint commission devoted itself today to determining the extent of the control exerted in Mexico by the de facto government. It was explained that the question of transportation was vital to any resumption of industry in Mexico. The roads are being operated with a great deal of regularity at the present time, it was said, but in some states very poor transportation facilities were to be had, especially in the state of Hidalgo. The Mexican commissioners indicated, however, that conditions are gradually improving and said much effort is being taken to repair all railroad systems. About 12,000 out

of a total of 13,000 miles of railway are being operated today, they said, under the direction of the Carranza government. The total tonnage of freight at present is virtually the same as in 1913, but there is a shortage of rolling stock and engines, although at present the receipts are ample to meet operating expenses. The commission will continue this phase of its inquiry and also will consider data tending to show the military control exercised by Gen. Carranza over sections where important American interests are located and such other presentations as the Mexican commissioners desire to make. It is understood the American commissioners are comparing these reports with State department information on the same points.

PINK WEDDING AT ST. MARK'S CHURCH

This afternoon at 4 o'clock Miss Helen Blackburn, daughter of Mr. and Mrs. W. H. Blackburn, and Mr. Maurice Kirby Clark were married at St. Mark's church. Rev. H. Bailey was the officiating clergyman. Miss Blackburn was attended by her cousin, Miss Catherine Burton, of Aurora, Ill., and Miss Carol Ulland, of Tonopah. The sweet young bride was attired in white tulle embroidered in silver, veil of tulle and orange blossoms. The bridesmaids wore pink taffeta, embroidered in silver, and large white chapeaux. Elizabeth Bradshaw and Jack Sherwin scattered fragrant pink petals in their path to the altar.

The home was decorated in pink blossoms and the color motif pink was carried out in all the details of the wedding appointments in the bride's residence. The church was a bower of floral beauty. Large clusters of purple and white asters, tied with flowing ribbons, decorated the pews and the altar was embellished with large fluffy mums and an abundance of pink lilies.

Mr. and Mrs. Clark will have an extended honeymoon trip and on their return to Tonopah will reside on Montana hill.

SAN ANTONIO, Texas, Sept. 12.—Hundreds of Mexicans are being recruited here for service as section hands on eastern railroads. With immigration from Europe stopped by the larger railway systems are turning to Mexico for laborers.

WOMEN WANT WOMAN TO PROSECUTE WIFE

(By Associated Press.)
CHICAGO, Sept. 12.—Attorneys for Mrs. Iva Barnes, accused of shooting down her husband, James Barnes, in a park, made formal application for her release on bail today. The state's attorney objected and arguments on the plea were set for Sept. 18. A coroner's jury recommended that Mrs. Barnes be held without bail. The grand jury indicted her on a murder charge.

The state's attorney so far has taken no definite steps toward appointing a woman prosecutor for Mrs. Barnes, as requested by several women's organizations, which contend that women escape too easily when prosecuted by men.

BOY BADLY HURT IN RACE

During the automobile races at Elko last week, Jasper Gregory, son of County Commissioner Gregory, of Elko county, met with an accident that may cost him his life. He was driving a car in the race and on the sharp turn in front of the grandstand a blowout caused the car to skid and threw Gregory against the fence. He was picked up unconscious and found to be badly injured, three ribs being broken and severe internal complications.
